**Margaret Botkins**  
**Clerk of Court**

IN THE UNITED STATES DISTRICT COURT

FOR THE DISTRICT OF WYOMING

---

BCB CHEYENNE LLC d/b/a BISON  
BLOCKCHAIN, a Wyoming limited  
liability company,

Plaintiff,

vs.

MINEONE WYOMING DATA CENTER  
LLC, a Delaware limited liability  
company, et al.,

Defendants.

Case No. 23-CV-79-J

---

**ORDER FOR *IN CAMERA* REVIEW**

---

The Court is currently considering Plaintiff's Motion for Reconsideration of the March 27, 2024, Order on Plaintiff's Motion to Compel and Jurisdictional Discovery Briefing. (ECF No. 158). In reviewing the briefing, a strong area of contention surrounds Plaintiff's request for the July 27, 2023, Loan and Security Agreement between Defendants MineOne and Bitmain/AntAlpha. The Court has determined it cannot assess the document's relevance without first reviewing the document. Accordingly, Defendant MineOne shall produce an unredacted copy of the agreement to the Court via email at [wyojudgekhr@wyd.uscourts.gov](mailto:wyojudgekhr@wyd.uscourts.gov). "The decision whether to review [documents] in camera is within the sound discretion of the trial court." *Black & Veatch Corp. v. Aspen Ins. (UK)*, 29 F.R.D. 611, 621 (D. Kan. 2014) (quoting *Mounger v. Goodyear Tire & Rubber Co.*, No.

99-2230-JWL, 2000 WL 33712198, at \*1 (D. Kan. Sept. 22, 2000)). The necessity to review this document to assess its relevance affords a sufficient basis to order the *in camera* review. *Id.* Defendant MineOne shall produce this document to the Court as soon as possible, but no later than May 13, 2023.

NOW, THEREFORE, IT IS ORDERED Defendant MineOne shall produce the July 27, 2023, Loan and Security Agreement to the Court for *in camera* review as soon as possible, but no later than May 13, 2024.

Dated this 7th day of May, 2024.
